

Farming Foundations

A tour for all ages

Learning with Wonder and Joy

Concepts, outlined in the Ontario Science, Health and Language curriculums, are explored through hands on, interactive, age appropriate activities. We aim to ignite the children's wonder and curiosity in the world around them. We'll keep them as busy as our bees!

Investigate the characteristics and needs of living things while planting or harvesting crops in our fields and visiting our farm animals.

Observe the growth and changes in the plant's and animal's life cycles.

Dig deeper into soil- how does the farmer take care of it and be sustainable

Identify the cycles on the farm - farm to fork, nutrient, water and seasons

Spring Awakening

(May till early July)

Spring is filled with the promise of renewal. There are lots of babies to visit this time of year. Students will plant a strawberry plant to take home. Once strawberry season begins (approx. late June) you may pick strawberries, (weather and crop permitting).

Fall Is Harvest Time

(September- mid November)

Experience the bounty of the harvest as the crops picked from our fields overflow in bins and bushels. Harvest is the focus and we have 2 options available.

"Stone Soup" themed tour - Integrate harvest and community while picking a variety of vegetables OR

Focus on pumpkins - each student picks their own pie pumpkin

Fun ramps up as you get lost in our corn maze, pick from our fields and visit the farm animals. Each teacher receives a free pumpkin and gourd for their classroom.

Summer Fun (July, August)

Pick, Play, Learn - Check out our Summer Fun Flyer for details.

Book your tour

Call Leslie at 905-887-1086 or email us at forsythefamilyfarmtours@gmail.com

Farms Are Fun!

All tours include

-  Friendly, informative instructors
-  Inquiry based, hands on activities
-  Flexible starting times
-  A wagon ride around our fields
-  Playtime in our Barnyard
-  Adventure playground
-  Relevant take home classroom materials and colouring sheet/person

Giving Garden

We have set aside a 1½ acre garden plot to provide the opportunity to grow generosity and give service to others. Students can participate in the growing and harvesting of vegetables to give away to hungry families in need.

Tour Costs

(2 hours) \$9.00 + HST
(3 hours) \$10.00 + HST

Preschool, jk/sk 1 adult: 5 children free
Grade 1+ Teacher and assistant free/class

A non-refundable deposit equal to the minimum tour charge of 20 people is required to confirm your booking. Prices in effect until January 2019
