

## Little Sprouts Tot Spot

### 8 Week Farm Program for 2-4 year olds

### Moms, Dads, Grandparents, Caregivers:

Come experience the farm, Come on out,  
You will have lots of fun with your little sprout!

They grow up fast. Take a break from your busy week to relax and spend some time with your toddler on the farm.

Make connections as your child interacts with others their age and learn to become part of a group.

### Farms Are Fun!

Enjoy 1.5 hours of engaging activities led by our talented farm educators:

- Seasonally themed stories and songs
- Visit the farm animals
- Wagon ride
- Playtime in our Barnyard Adventure playground

Enjoy a complimentary coffee and treat during your child's snack time (due to the many food sensitivities children may have, we ask that you provide your child's snack)

Have more time in the morning? Stay and play. Our program ends at 11:00 am but you are welcome to stay and continue enjoying time here on the farm.
