

# Summer Fun on the Farm

## Pick, Play, Learn

### Learning with wonder and joy!

Summer is for fun. Choose from a variety of themes that give children the opportunity to explore our farm in interesting and exciting ways.

**Sheep Basics**

**Bees and Insects**

**Stone Soup**

The children are kept active with games and hands on activities that are fun, age appropriate and educational.

Time is also spent visiting the farm animals, enjoying a wagon ride, playing in our Barnyard Adventure playground and picking in our fields. When the weather is hot sheltered areas for lunch are available and water games are incorporated into the activities.

Our full day (4 hour) tour includes story time down Fairy Tale Lane OR discovery time in our forest exploring the wonders of nature.
